

The Dixie Paint Horse Club standing rules outline the DPHC Year End Awards Requirements. These are the rules the club has used since 3/10/05.

- a. Owner of the horse must be a paid member in good standing with DPHC and APHA. Membership dues must be paid by March 31st to qualify for DPHC year end points to count.
- b. All ownership requirements set forth by APHA for Youth or Amateur competitors will be observed by DPHC.
- c. Any conflict of the rules for year end points will be settled by the Board of Directors.
- d. To be eligible for a year end award, the horse must be shown under 50%, plus one, of the judges. This specified number applies to each category.(Open, Youth, Amateur and Novice)
- e. In case of a tie for year end awards, two awards will be presented as "Co-Champion" and "Co-Reserve Champion", whichever the case may be.
- f. DPHC points will be awarded in the following manner: 7,6,5,4,3,2,1

The point standing for year-end high points is based on points earned & membership. Some on the list may not have met the qualification for the number of judges. By the end of this year we will have been able to show under 20 judges. Therefore, showing to 11 judges would be the qualifying number. We are aware that there may be some errors in our memberships especially when there are different names within a family. Please email Linda Lewis, who is our point keeper, if you have any questions. Her email is scotchonthecocks@yahoo.com Be sure and give us a phone number where we can reach you.

Please remember, not only does the exhibitor have to be a member but the owner of the horse must be a member as well.
